

K-12 EDUCATION

EXPERIENCE GUIDES US. SOLUTIONS DEFINE US

Guidepost Solutions has delivered more than 200 security and technology projects for education clients. We are a trusted partner and advisor for school districts, community colleges, and universities across the nation. We have 34-years of experience serving K-12 and higher education institutions; providing security consulting, innovative design, and project management services that optimize scope, schedule, and budget requirements to meet our client's expectations in a financially responsible manner. Our firm has engaged in a variety of education related projects including, performing campus-wide security assessments, developing master plans, reviewing and expanding operational processes and procedures, and creating security and technology systems designs in compliance with existing standards. *Our service experience includes:*
